PROFILE

As a web developer with extensive experience in front-end development, I bring a proven track record of success in creating high-quality, responsive websites and web applications.

In addition to my technical skills, I possess excellent communication, leadership, and problem-solving abilities. Skilled in HTML, CSS, JavaScript, and Laravel, I have experience with responsive design, accessibility, and debugging.

Looking to further develop my skills and gain hands-on experience in a dynamic and innovative company through an internship opportunity.
